

Aloha e CSL Members,

The sixth iteration of the Community Seed Library seed inventory list for October 2020 is attached for you to look over.

Seed packet requests have decreased so going forward the list will be updated monthly, with a new list being sent out for the start of each month

- Thank you to those CSL members who have donated their seeds for the CSL seed giveaway. If you would like to donate seeds, please include:
  - Name of seed and any pertinent information
  - When you harvested them
  - You can put them in a paper envelope or ziplock bag and leave them with staff at the front door when you pick up your reserved books
- Only CSL members can make monthly seed packet requests, limited to five packets each month, but anyone can become a member by calling the library and providing their name and email address
- **To make a seed packet request, and to schedule a pick up at the library, kindly call Kailua-Kona Public Library at 327-4327**
- We do not take seed packet requests by email, nor are we able to mail the seed packets to you, at this time
- If you are interested in taking an online gardening class, check out the offerings at The University of Hawai'i at Manoa Osher Lifelong Learning Institute. Diana Duff, our former CSL volunteer coordinator, is currently teaching several excellent gardening classes.
  - <https://osher.socialsciences.hawaii.edu/>

Our public service hours are:

Tuesday: 12pm-7pm

Wed., Thurs., Sat.: 9am-4pm

Friday: 11am-4pm

Closed Sunday and Monday

We hope you are enjoying your seed plantings and appreciate your continued interest in the Community Seed Library. Thank you also to FOLK for their generous support of the CSL.

Stay safe and healthy,

Kīpapa Kāhelahela

Community Seed Library Creator and Liaison
