

STACEY A. ALDRICH
STATE LIBRARIAN

Hawaii State Public Library System

FOR IMMEDIATE RELEASE

Sept 20, 2020

"With ongoing studies about the viability of the virus on various materials and not much known yet about how much of the virus it takes to infect a person, it is important to be very cautious. Therefore, libraries are not able to accept any donated materials, nor are the Friends of the Library, Kona (F.O.L.K.) accepting donated materials for now. Maintaining the good health of library staff and our Friends volunteers is the top priority".

Books may be requested to hold for pick-up at both libraries' front entrances, the drive thru at the Kailua-Kona library is currently not available. Request your holds from the Hawaii State Public Library website, or call the libraries at 327-4327(Kailua-Kona) or 323-7585(Kealahou).
