

Community Seed Library Update

Aloha e CSL Members,

The Community Seed Library will not be giving away seeds or taking seed packet requests for the month of November. An updated seed list will be emailed to you at the end of November, and the seed giveaway will resume on Tuesday, December 1.

For updates on library services, visit www.librarieshawaii.org or call Kailua-Kona Public Library at 327-4327.

Good luck with your seed plantings and stay safe and healthy.

Kipapa Kahelahela
