Personal Letter and References

On a separate sheet of paper, please submit a statement describing your objectives and clearly establishing your reasons for pursuing a library career. If you know the field of librarianship or information science you plan to pursue and where you would like to work please tell us. Include any information that you feel would be helpful to the committee in considering your need for scholarship assistance; also list any hobbies or interests.

In addition, have your college transcripts and letters from two persons, not members of your family, testifying as to your character and ability send directly the Friends of the Libraries, Kona. It is preferable if at least one letter is from a professor. If you have received a F.O.L.K. scholarship in the past, there is no need to supply your undergraduate transcripts.

I hereby declare that the information provided on this form is, to the best of my knowledge and belief, complete and correct.
